

Easy Start

Plasson's **Easy Start** releases fresh water by the slightest touch, supplying your Turkey Poults with all of the water that they need.

Plasson's Easy Start guarantees you:

- A Uniform and Heavyweight Flock
- Very Low Mortality
- Drier Litter
- Healthier Birds

Upgrade your Plasson Green Nipple System to Easy Start

It's as easy as replacing the tray with the Easy Start component on the existing green nipple

For subsequent growth stages, Plasson Turkey Bell Drinkers are recommended
